Shanghai Ocean Equipment Co will exclusively represent the brand in China

Franco-Italian engine manufacturer Nanni has appointed a new exclusive importer to represent the brand in China.

Shanghai Ocean Equipment Company provides a one-stop service, delivering pre-sale consulting, aftersales service, spare parts supply, as well as R&D specifically within the marine sector.

The company will now manage the sales of Nanni engines and gensets, spare parts and all aftersales across the entire Chinese territory for applications such as governmental boats, yachts, patrol boats and passenger vessels.

With this new partnership, Nanni has expanded its international network to more than 100 exclusive importers worldwide.
