**Nanni equips exclusively the last Rhéa Marine's boat**

**Rhéa Marine chose Nanni to equip exclusively its last boat the Rhéa Baltic 730 with T4.230 engine.**

For the first time, the Rhéa Baltic, equipped with the T4.230 EVO 2, has been launched at La Rochelle Boat Show (France).

In one year, the T4 EVO 2 range became the best seller of Nanni in French and british shipyards (Broom, Haines, Cockwells...).
