### The Nanni team is ready for new engines trainings 2015/16

The After Sales Department of Nanni has been trained on the new Nanni engines on John Deere engine base, and they are ready to dispense trainings for the French and Export Nanni network. From this cet autumn, this department will organize training courses on these new Nanni engines.

**Stay tuned for the planning of trainings...**

### The « Sybille » pinasse boat: Star of Arcachon Bay

The magazine *Silverage*, talked about the « Sybille » pinasse boat marinized by Nanni with a N4.60, on the lastest edition of July-August 2015. This article was written from the interview of Mrs Amalia Festa, CEO of Nanni, who related the story of this typical pinasse boat of Arcachon Bay.
